

Application for prospective students
Biology 165/ ENVS 109
Ecology and Conservation in Practice
Deadline: **February 1, 2008**

Return application along with an unofficial UCSC transcript (**with narrative evaluations**) by February 1, 2008 to the Biology Advising Office (387 Thimann Labs). We will contact individuals for interviews by February 15, 2008. Selections will be made by February 28th.

Name:

Email address (current):

Phone (current):

- 1) When will you graduate?
- 2) What is your major?
- 3) What environmental studies, biology, or ecology courses will you have taken by the end of Winter quarter 2008?
- 4) What kind of organisms are you most interested in: plants, birds, mammals, insects, marine organisms?
- 5) Have you ever taken a field course? If yes describe.
- 6) Have you any experience with remote field conditions? If yes, describe.
- 7) How do you feel about tent camping for several weeks in remote conditions without access to running water, amenities, and limited selection of food?
- 8) Do you have any medical conditions (e.g. allergies, diabetes) that we should know about? Do you have any dietary restrictions? Note that this information will not be used to exclude you from the class and will remain confidential.
- 9) Do you have any of the following qualifications: CPR, EMT, First Aid, Lifeguard Training, etc.
- 10) Why do you want to take this course? What do you expect out of this course? (write 1-2 paragraphs)
